

Wake Up Call!

Family Business Breakfast Series

Sponsored by National Center for Family Business

National Center for Family Business, Inc.®

Make plans to join us one morning each month from 7:30 - 9:00 a.m. for interesting dialogue with other Family Business Owners.

Running any business is tough enough, but as you know, when the dynamics of family are introduced, it creates a whole new set of challenges.

We feature presenters who discuss topics that are specifically geared to Family Businesses. This is a casual, small group setting encouraging interaction between the presenters and the business owners.

Build camaraderie with other family business owners while learning how to handle some of the toughest challenges facing the Family Business Owner today.

To be held at:

Courtyard by Marriott
4047 Bridgewater Pkwy. at Hwy 8 & Steels Corners
Stow, OH 44224
